Basic Dome Eco 60 8 90

Basic Dome Denim 60

Bell Dome Eco 50 8 70

At Formadri, we have a mission: we want to be amongst the most eco-friendly lighting companies in the world. The new Formadri **Circular** collection is central to our mission, consisting of lamp shades produced of recycled materials. Our **Eco** lamps have an extraordinary open structure and are created from recycled plastics. Our **Denim** lamp is made from a mix of used jeans and recycled plastics giving it its distinct indigo color.
